

This is an aerial map of a region in Georgia, specifically showing Wayne and Holmes counties. The map is characterized by a patchwork of green fields, brown agricultural land, and dark green forested areas. A prominent blue rectangular boundary is drawn across the map, enclosing most of the area shown. A yellow dashed line runs horizontally across the top of the map, just below the county names. The names 'Wayne' and 'Holmes' are printed in black at the top center. Several water bodies are labeled in blue text: 'Rush Run' on the left, 'Tea Run' on the right, and 'Coffee Run' at the bottom. A road labeled '83' is visible on the right side. Various land parcels are outlined in thin white lines, and some are labeled with numbers like 'P-552', 'P-553', 'P-554', and 'P-555'. The map also shows some buildings and infrastructure, including what appears to be a small airport or industrial area in the center.
